SUMMARY

CCNA trained Network Engineer with practical experience in routing, switching, IP addressing, FTTH, and Ubuntu Server administration. Skilled in real time (ISP) and GNS3 for configuring, monitoring, and diagnosing LAN/WAN environments. Seeking an opportunity to grow in networking and infrastructure operations.

INTERNSHIP EXPERIENCE

Network Engineer Internship

April 2026 – July 2026

Interjet Broadband Private Limited

- Configured and deployed 30+ Syro-Tech and TP-Link Wi-Fi routers for residential and business customers, handling initial setup, PPPoE authentication, DHCP allocation, and static IP configuration.
- Monitored network infrastructure of 5 routers and 9 switches using Nagios, tracking CPU, RAM, and bandwidth metrics.
- Provided field support by resolving Various LAN/WAN connectivity issues, slow internet performance, router hardware failures, and Wi-Fi (2.4 GHz/5 GHz) coverage problems, ONT devices replacements at customer locations.
- Assisted in configuring VLAN segmentation on distribution switches and VLAN tagging for OLT devices.
- Set up Ubuntu Server in a virtual environment under senior guidance.

PROJECT

Campus Office Network Design & Implementation (GNS3)

- Designed a VLAN-based network architecture for HR, Finance, IT, and Management departments.
- Configured Inter-VLAN Routing using Router-on-a-Stick for controlled communication.
- Implemented OSPF dynamic routing and DHCP services for automatic IP allocation.
- Simulated a basic NOC environment to practice monitoring, incident handling, and escalation procedures.
- Performed L1/L2 troubleshooting using ping, traceroute, and Wireshark.

TECHNICAL SKILLS

Routing: OSPF, RIP, Static Routing

Switching: VLANs, Inter-VLAN Routing, STP, EtherChannel

Networking: TCP/IP, OSI Model, IPv4 Addressing, Subnetting

Network Services: DHCP, DNS, NAT, HTTP/HTTPS, PPPoE

Network Support: Network Monitoring, L1 & L2 Troubleshooting

Security: ACLs, VPN Basics, SSH, Telnet

Systems & Monitoring: Linux Ubuntu Server, Nagios,

Tools: Cisco Packet Tracer, GNS3, PuTTY,

Documentation: MS Word, MS Excel

CERTIFICATIONS

- CCNA v7 - Introduction to Networks - Cisco
- CCNA v6 - Switching, Routing & Wireless Essentials - Cisco
- CCNA (Cisco Certified Network Associate) - Networking Fundamentals - Suren Networks

EDUCATION

B. Tech – Computer Science and Engineering

2022 – 2026

Karunya University

Higher Secondary (Matriculation)

2020 – 2022

Sri Annai Raani Convent Higher Secondary School

LANGUAGES

Tamil, English
